Painting with a Twist is a step by step painting and social experience. Come let your creativity flow and get ready to give Monet a run for his money.

Paint, canvas, and brushes are provided, as is an experienced and enthusiastic local artist who can lead you step by step through the process of recreating the featured artwork. At the end of the evening, you'll have your own painting to take home and a new found talent you'll want to explore. Also, enjoy some cocktails and snacks to make the experience even more fun!
